# Dining planned around your program

## In-house catering

Breakfast and meeting breaks through lunch, dinner and receptions.

## Service that fits your event

Plated, buffet and reception-style service, with menu customization options.

## Beverage service

Hosted or cash bars, welcome drinks and custom event cocktails. Dietary requests can be reviewed during planning.

Menus, guest-count requirements and service details are tailored with your Event Coordinator.

# Production, expo support & branding

## Audiovisual & staging

Microphones, projectors and LED video walls. Stage lighting, recording and scenic support can be coordinated for your program.

## Expo operations

Floor layouts, staging, AV integration and load-in coordination for conventions, exhibitions and specialty shows.

## Your brand on property

Digital displays, branded menus and signage. Street-facing LED and rooftop placements offer additional visibility.

## Marketing & creative support

Custom graphics and event materials, with website, social media and other promotional opportunities available to discuss.

## Planning & technical coordination

On-site teams help coordinate event flow, preferred vendors and connectivity. Enhanced high-speed Wi-Fi is available on request.

Services and promotional placements depend on event scope, availability and quoted requirements.

# Exclusive spaces, with room to stay

## Floor or full hotel buyouts

Reserve a dedicated floor, both event floors or the full hotel for a private corporate program.

## Connected guest experience

Coordinate meeting spaces with registration, networking, VIP hospitality and on-site dining.

## Group stays & showcase rooms

Guest room blocks keep attendees close. Private demonstrations and hospitality suites are available subject to hotel approval.

Buyout scope and guest accommodations are customized to your program and availability.
